

## Administrator's Corner

Dear Residents, Staff, and Families,

The holiday season is officially upon us, and there's no better time to come together as a community to celebrate the joy and warmth this season brings!

This December, we have a festive lineup of activities for everyone to enjoy, from heartwarming caroling to the exciting *12 Days of Christmas* celebrations. Whether it's singing along, creating memories, or simply sharing in the holiday spirit, there's something for everyone.

We also look forward to welcoming families and friends as they visit their loved ones. Your presence brings so much happiness to our residents and makes this season even more special.

Let's make this month buzz with laughter, love, and cheer as we celebrate the holidays together!

Happy Holidays,

*Delicia Mark*

Administrator

## Join Us for Holiday Activities!

Celebrate the season with us at Benjamin Healthcare Center! We are kicking off the festivities with a joyful caroling event on Tuesday, December 17.

This holiday season, we are thrilled to bring joy to all our residents! Thanks to the generosity of our amazing families and staff, every resident will receive a special gift delivered on our festive holiday sleigh.

### Capture the Magic!

Our beautifully decorated lobby is ready for the holidays!

Did you know you can take a picture with your loved ones by one of our many Christmas trees? Choose your favorite tree and create a cherished holiday memory.

## 12 Days of Christmas for Our Staff!

We're also spreading holiday cheer to our incredible team with 12 Days of Christmas surprises! Stay tuned for exciting treats and activities to show our appreciation for all you do.

## Rehabilitation Success Story

We are pleased to share a recent rehab success story with one of our short-term patients who was admitted following back surgery. At the time of admission, the patient required extensive assistance for bed mobility, transferring in and out of bed and was dependent for ADLs. The patient was unable to walk or use the stairs. Following six weeks of daily participation with our therapy department, the patient became strong enough to get in and out of bed, walk 300 feet, climb 10 stairs, and complete ADLs with minimal assistance. The patient is now back at home and functioning at the same level prior to initial hospitalization.

## Employee of the Month

Congratulations to Ashanti Calderon, our Employee of the Month for December!

Ashanti's dedication, hard work, and compassionate care have made a significant impact on our community. We are proud to recognize her outstanding contributions. Thank you, Ashanti, for your exceptional service!

## Welcome New Hires

We are excited to welcome all our new hires to the Benjamin Healthcare family. Your dedication and commitment to our mission are greatly appreciated, and we're thrilled to have you on board.
