

Administrator's Corner

Happy New Year from Benjamin Healthcare Center!

As we close the chapter on 2024 and step into a promising New Year, we want to take a moment to reflect on the journey we've shared and express our heartfelt gratitude.

This past year brought challenges, but also incredible progress, including the successful Receivership that has allowed Benjamin Healthcare Center to remain open. This crucial milestone ensures we can continue the important work of providing compassionate care to our residents and support for their families.

Our goal remains clear: to keep the Benjamin thriving as a place where residents feel at home, families find peace of mind, and staff feel valued and empowered. Together, with your support and dedication, we are working tirelessly to achieve this vision.

Here's to a year filled with health, hope, and success. Thank you for being part of the Benjamin family. Let's make 2025 our best year yet!

Warm regards,

Delicia Mark
